

What is a TelePrEP Peer Navigator?

TelePrEP Peer Navigators help guide clients on their PrEP journey as they have real world experience navigating their own care.

TELEPREP AWARENESS

By having discussions with someone who is also on PrEP these navigators can educate others about TelePrEP.

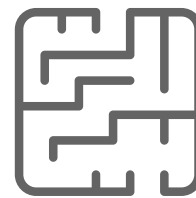

REDUCE STIGMA

Working with a peer navigator can let clients know they are not alone and reduce stigma or mistrust.

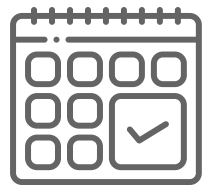

NAVIGATE

Peer navigators know how to navigate the healthcare system when it comes to PrEP care.

PREP ADHERENCE

Peer navigators can share their own tips on how they remember to take their PrEP every day to help others on their PrEP journey.
